

## **PRESS RELEASE**

### **Kirk Buhne Joins EnCon Washington as Director of Business Development**

Puyallup, Wash. (August 7, 2015) - EnCon United, the parent company of EnCon Washington and several leading architectural and structural precast prestressed concrete companies located across the United States, is pleased to announce a new addition to its management team.

Kirk Buhne, B. Arch., CSI, CDT has joined EnCon as Director of Business Development, bringing over 30 years of architecture, sales and construction experience to the EnCon team. In his role as Director of Business Development, Buhne's responsibilities include assisting contractors and developers with project development and budgeting for opportunities in the Pacific Northwest. Additionally, Buhne is responsible for preconstruction design assistance, sales, and new market development.

Kirk brings extensive experience in wall system and building material sales to the EnCon team. Kirk studied at the School of Architecture, The University of Waterloo, and worked as an architect in five countries in Europe and North America prior to specializing in building envelope design. Kirk has been actively involved in sales and business development and has vast experience in the commercial building market. With his wealth of design and construction experience, Kirk is excited to be promoting precast systems in the Pacific Northwest.

#### **About EnCon Washington**

EnCon Washington, LLC joined the EnCon Companies in 1999 as a full service specialty contractor providing engineered precast prestressed concrete building solutions and structures to the construction markets of the Pacific Northwest. As a certified producer of the Precast/Prestressed Concrete Institute, EnCon Washington is recognized among the leading precast companies in the Northwest. EnCon Washington maintains a design team of licensed engineers and designers that provide valuable preconstruction design assistance, trade coordination, and engineering calculations. For more information, visit [www.EnConWashington.com](http://www.EnConWashington.com).

#### **About The EnCon Companies**

The EnCon Companies are specialty contractors providing precast/prestressed concrete systems and services to all facets of the construction marketplace. In addition to the corporate offices and the design group, EnCon Companies maintains nine manufacturing facilities nationwide. Recognized as one of the leading precast companies in the United States, EnCon is pioneering the use of the latest technology for the design and fabrication of precast structures.
